DK intends to put some photos in the next Mardle. He has several items of local interest, including the school summer fete. Volunteers will be helping to find businesses and individuals in the local area who may wish to place advertisements in the Mardle.

IH will get a quote from the supplier for a maintenance contract for the printer.

6. Finance
JH would find it useful to see when hall hire payments have gone through by bank transfer as she is not always aware of who has paid.

IH will check with GC what the situation is with signatories to the bank accounts. BB no longer needs to be involved.

GC will circulate the latest finance report.

7. Hall Maintenance:
The benches on the patio need a clean before the beer festival.

Something has been causing the power to the kitchen wall sockets to trip off. This will be added to the current list of electrical jobs for urgent action. MW will make enquiries if AB is unavailable.

We need to list and prioritise maintenance jobs and improvement projects.

ACTIONS:

- **Draft a plan of maintenance and improvement works – discuss at next meeting**

IH will kindly donate his war silhouette to the village.
