CHAIRMAN'S COLUMN

MESSAGE FROM THE CHAIRMAN

Well, the 1992 Village Festival is over - we were very lucky with the weather, and although attendance was only average on Saturday, there was a large influx of visitors on Sunday at Church, Hall and Cricket Field. Although Keith Skipper's XI were defeated, it was great to see Keith, Roy Waller and all our other friends from Radio Norfolk. They give freely of their time to many functions, and support village activities particularly - their help in promoting our Festival is most gratefully acknowledged.

I do not propose to name helpers, but to all those who worked so hard over the weekend; all those who donated prizes to the Grand Draw; and all those who came and supported both events, MY SINCERE THANKS - your efforts have raised some £1,250.00 towards Hall Funds. All those of you who didn't come, you missed a treat at both Church and Hall.

'thank-you'

VILLAGE HALL EXTENSION

At their recent meeting the Parish Council voted to accept the lowest tender for the new extension. Along with the Village Hall Management Committee they were very pleased that the successful builder was S.V. Harvey & Son from the village - local job - local firm - local employees.

Since that meeting South Norfolk District Council have considered and approved the application for grant aid of approximately £20,000 towards the cost of the extension and renewing the heating system in the existing hall. An application to the licensing magistrates is due to be considered in the middle of October after which work can start on the extension once a programme of work has been agreed with the builder. That only leaves the grand opening party to be arranged!!

WRENINGHAM "ALL SAINTS" FLOWER FESTIVAL

On behalf of the Parochial Church Council, a very big "THANK YOU" to all who helped to make such a successful weekend. To the ladies who made the Church so beautiful with flowers, to helpers in the refreshment tent, and to all who donated cakes for the event - it really was a great effort. At the time of going to press, the result is about £750.00 for Church Funds.

By the way, the pumpkin weighed 57 1/4 lb, and was won by a gentleman from Tacolneston. Margaret Wilkinson.

END OF SEASON CRICKET REPORT

The Cricket Club has just enjoyed their best ever season with a top four position in the league almost certain with one game to play at time of writing.

Barney Howes' men have worked hard at their game to improve on previous years performances, and now hold their own against most oppositions.

Highlights of the season included wins against Alliance sides Swardeston and Sprowston, as well as good half-centuries by skipper Barney Howes, groundsman Stephen Richardson and Opener Richard Fairman. It was also good to see youngsters such as Alex Brighton in the side, and his performance against Hales bodes well for the future.

In the Inter-village competition, Wreningham were beaten by Tacolneston by just one run in the most closely fought final for years, despite the big hitting performances of David Minns and Kevin Maddams.

The home season ended with a comfortable but entertaining match against Keith Skipper's Eleven which was watched by a good crowd as part of the Village Festival Weekend.

Indoor nets at Long Stratton commence in March with practise nets on the playing field starting on Thursday evenings during the season.

New players are welcome, especially from the village.
