

WRENINGHAM FUEL TRUST

Charity No: 216331

Trustees Annual Report to the meeting Tues 1⁴~~2~~⁴th April 2015

During the past year the Trust has been administered by 4 Trustees:

Mr I Howlett, the chairman, appointed by the Parish Council in 2012 and living at Tamarisk, Wymondham Road, Wreningham, Norwich.

Mrs Hilary Gauthier – appointed by the Parish Council in 2014.

Mrs C. Bilham a co-operative Trustee

Mrs I Jackson, a co-operative Trustee

The clerk is Miss C Minns, High Gables, Church Road, Wreningham, Norwich.

The Trustees have met once since the last annual meeting.

The Town land is still rented by V D Long & Sons and they pay their rent on time each half year.

Income from the investments with COIF have given a good return again this year and the capital value at 30th March has still to be confirmed.

The Trustees have received no requests for help in exceptional cases but they made 24 payments of £125.00 in January, mostly to older persons in the parish who had either applied or were considered as deserving. A number of people said how grateful they were for this help towards the cost of heating.

A deserving case of a few years ago felt that, now that they were in a better financial position, they would like to return the money we paid them for a tank of heating oil and have returned the £240.00.

Wreningham church trust accounts are being amalgamated with the main church accounts and, as one of the trusts offered help to the poor of the parish, it was decided to transfer this money into the "Wreningham Fuel Trust" for them to administer. The sum of £314.49 was transferred.
