MESSAGE FROM CHAIRMAN

Christmas beckons, demonstrating how quickly the year passes and the AGM is upon us once again. Please try and make Tuesday, 10th December at 1930 hours to find out how we are managing our Village Hall on your behalf. The committee would be delighted to see you and perhaps a few new faces willing to join the committee to add their energy and ideas. It would be tremendous, if we had some younger voices to reflect what that part of our community wants from our great facility.

October saw two big Village events. The Art Exhibition being the best attended for years, raising £981.41 and the Safari Supper involving 63 people and raising £815.40 with a great time had by all. The committee are so grateful to Chris & Julie Peachment for their inspiring organisation over the last four years. We now need "willing volunteers" to take on next year and emulate their success. The funds raised have gone into our project fund towards a new heating system for the Margaret Preston room, whilst we have estimates for replacing the ceiling and lighting to make it a really welcoming centre for all to use. The front of the Hall will be triple glazed in the next few weeks.

Unfortunately, there has been insufficient numbers to run the 100 club to raise further funds, but we will look at that again in the Spring. In the interim, on behalf of the committee, we would like to wish everyone in the Village a Merry Christmas & Happy New Year."

John Bligh, Chairman

WRENINGHAM V.C PRIMARY SCHOOL

Last Sunday class 4 performed *Hansel and Gretel* at the Norwich Theatre Royal as part of the Autumn 2013 Norfolk Schools Project. The children have had the opportunity to work with a creative team from the theatre consisting of expert music leaders including a composer, opera singers, pianists and directors. We are extremely grateful for their work with our pupils. The project culminated in the theatre performance on Sunday. Class 4 were absolutely brilliant.

We have Christmas performances for each class coming soon. All information is on the school website.

IN MEMORANDUM

WHO WAS BILL WELLS?

William Sandford Wells who died on 8th November had until recently lived in Wreningham for about 50 years, along with Mary his wife who died in July of this year.

To many people in the village he will be known as their former employer as over the years Bill employed a large number of local people in his business both at Long Acre and Ayton Road, Wymondham. One of the first things I remember him doing was making gear knobs for Lotus cars and over the years the work expanded to take in all manner of timber craft.

Bill served on the Parish Council for a number of years and was for a time Parish Council Chairman. He served on the village hall committee at the time of the building of the present hall and was practical in his involvement with the building. The design and quality of the stage front and timber work round the kitchen area, which at the time was the bar, was all down to Bill's work. Maybe you remember the fund raising events held at Long Acre? – the BBQ which ended up as a late night free for all in the swimming pool. Others of you will have been extremely good long term friends of Bill and Mary. However you remember him, Bill played an important role in this village one way or another and there will be many people in Wreningham who will be thankful that he and his family chose to settle here and sad that he is no longer with us.

NOTICE

It was reported that litter and unwanted sweets were thrown back into gardens. This is disappointing especially when people have been kind enough to enter into the spirit of things and buy treats especially for the occasion. If you have any young people in the family could you as a 'by the way' mention this to them. No one is being accused. It is just a reminder so we don't have a reoccurrence next year.

WRENINGHAM ALL SAINTS CHURCH

Carol Service A warm welcome is extended to anybody who would like to join us on Tuesday 17th December at 7.00 pm for our Carol Service. This is a chance to sing some of your favourite carols. As usual the church will be decorated with festive flowers and candles.

On Monday 23rd we shall be singing carols at the Bird in Hand at 7.30 pm, as the plan is to then move to another local pub made sure you are not late otherwise you may miss us. If you want to join the safari round the pubs you will be welcome.

Sunday 29th December there will be a 10.30 am service at our church.

On behalf of the church I wish everybody a peaceful and happy Christmas and the best of health for 2014.
