MESSAGE FROM CHAIRMAN

"Summer is on its way with some decent weather. Long may it last!!!

Well done to the Social Club for organising the fish & chip van for the second Friday of the month. The inaugural evening in April was a resounding success and we look forward to a regular visit and seeing many more villagers enjoying the Social Club facilities over the forthcoming months. Details of the Beer Festival are included in this Mardle and plenty of other activities are planned for the summer, so make the most of your local community and social centre.

As part of the Management Committee's plans for improvements we hope to eventually install patio doors from the Margaret Preston room, allowing access into the garden, so it will be ideal for relaxing with a cool drink!!
John Bligh (Chairman)

Resuscitation for a phone box?

The one remaining public service in Toprow – the red telephone box at the Norwich Road crossroads – has been smashed to smithereens by a runaway car. Now several residents are making efforts to get the box replaced.

Since the box was recently repainted it has become the lone symbol of the little community's existence. The idea is to replace it and put it to alternative public use... perhaps housing an emergency defibrillator... or local footpath maps for the many walkers who pass by ... or a book exchange... Ideas are being put to the Parish Council and the District Council's fund for neighbourhood projects may make a contribution.

The Parish Council would welcome further ideas and comments about the project.

THE NEXT PARISH CONCIL MEETING - 8th JULY

Emergency Plan Reminder: Please return your completed questionnaires in the reply paid envelopes to South Norfolk Council. The more we have then the better Plan we can build for Wreningham.

Top Row/Mill Lane/B1113 crossroads: The concerns raised about this junction need to be supported with hard facts. So, if you are aware of any road use incident happening at this junction, please let the Parish Clerk (Heidi Frary) or Parish Chair (Michael Hill) have all the details (with photos if possible) which would support representations to NCC.

Top Row Phonebox: An accident at the junction resulted in the total demolition, and subsequent removal, of the BT Phonebox. Some parishioners told the Parish Council that they want to organise for its reinstatement. If you support this idea and would like to help please tell the Parish Clerk and she will pass your contact details on.

Library visit: A Norfolk Mobile Library visits Wreningham once a month (see our website for details) and parks in two places in Top Row. The Norfolk Library Service advises that it is possible for the stop at the Village Hall (or thereabouts) to be reinstated if there is sufficient interest. Please let the Parish Clerk know your views on this

(The last date for copy for the Mardle is Wednesday 16th July)

At the Annual Meeting the committee was elected and officers nominated for the coming year. After 10 years in the chair Kevin Feek did not stand for re-appointment – but I am sure that all Social Club members wish to thank Kevin for his time, energy and leadership during his years in office.

The newly appointed officers are:

Chairman: Ian Holloway

Treasurer: Gary Mutton

Secretary: Maxine Waldow

For details of Social Club events including the very successful “fish & chip” evenings see the back page of this Mardle and for full details of the Beer Festival a flyer is enclosed.

FRIENDS OF WRENINGHAM PRIMARY SCHOOL

The Friends of Wreningham Primary School would like to thank all of those who supported the recent Garage Sale in Ashwellthorpe and the Easter Fayre in April. The Easter Fayre raised almost £500 towards supporting the school in updating and providing essential computing equipment to enhance the children's learning.

Upcoming Events: The school is busy collating prizes for a Summer Raffle that will be drawn on Sport's Day, Friday 18th July. In the upcoming weeks parents will be selling raffle tickets. If you run a business or work for a company that can offer any prizes for this we would really appreciate it. Please contact the school regarding this and ask to speak to Kelly or Alison.

CHURCH

It was good to see the students on their walk to Walsingham on 16th April when they called in for refreshments. The weather that week was ideal for walking and they were all upbeat. Thank you to those who provided refreshments and toilet facilities.

The quiz on 25th April was a great success with 10 tables and a really wide selection of questions – something for everybody and as well as proving a great social occasion we raised £260.00 to be shared between Wreningham and Ashwellthorpe churches. We hope to arrange another quiz for the autumn.

We look forward to welcoming everybody to the 10.30 service on 29th June when we will be joined by a couple married in Wreningham church 60 years ago - Ronald and Joan (nee Martin) Howlett, along with their family, bridesmaids and other wedding guests.

Christine Minns (Church Warden)

Wreningham School

We have an art exhibition in June and the theme is the WW1. The children will be taking part in Olympic legacy days at Wymondham College and we have our own sports day in July. The School Council have voted to have a didgeridoo day - the pupils learn how to play this fascinating Aboriginal instrument! - Headmaster
