

# WRENINGHAM FUEL TRUST

Charity No: 216331

Report to the Parish Meeting on Tuesday 13<sup>th</sup> March 2012.

The Trust is managed by 4 Trustees.

Mr Ivan Howlett (chairman) and Mr Harvey Day both nominated by the Parish Council. Mrs Christine Bilham and Mrs Irene Jackson both co-operative Trustees appointed by their fellow Trustees. The nominated Trustees serve for a 4 year period and the co-operative Trustees for a 5 year term.

The Fuel Trust owns one piece of land which is rented out on a long term agreement and the current rent is £465.00 per annum.

The rest of the assets have been cashed in and are invested with the Charity Commission and the income to the end of the last financial year was £2958.89.

This year the Trustees have not had any needy cases referred to them but in January 2012 they made payments towards the heating for 24 inhabitants, mostly older people or those thought to be in most need, to the sum of £100.00 each.

The Trustees normally meet twice a year but are always willing to consider any application for help with heating at any time of the year, if a need arises.
