

SEEN HERE IN ITS NATURAL ENVIRONMENT THE LESSER SPOTTED PUMPING STATION

If you have a private pumping station at the bottom of your garden or in your street we need to know about it. You are currently responsible if anything goes wrong but the good news is that from October 2016 we will take responsibility for many private pumping stations in our region. This will include the cost to maintain and run them, but we have to find them first. If you're not sure what you're looking for our handy spotter's guide can help.

So if you have one get in touch today:
