

Welcome to Wreningham

Handbook for village residents

Welcome

Welcome to the village of Wreningham. We hope that the information contained in this Welcome Pack, produced by the Parish Council, will help you to settle more comfortably in our village, your new home.

We have tried to gather as much useful, up-to-date and relevant information as possible in this guide, but would welcome any additional suggestions you might have or if you find any errors or omissions!

The civil parish of Wreningham had a population of 528 at the 2011 Census, in just over 200 households.

All of this booklet information, and much more, is on our village website www.wreningham.org.uk

Village name

Wreningham is possibly named after: the homestead (ham) of Wrenna's (Wren's) people (ingas = the people of). Another popular theory is the Witch and the Wren story. It is said that a witch who lived in Wreningham heard that the Witch Hunters were coming for her. She disguised herself as a Wren and got away.
