We are always being made aware of scam phone calls, text messages and emails etc.

If you receive a fake message, forward the text, including phone number or company name, to 7726. It won't cost you anything and means your phone provider can investigate. If you responded to a scam text and provided your bank details, contact your bank immediately.

Spread the message about the Silent Solution so that people are aware. This could help to prevent abuse from happening. When dialling 999, if speaking or making an immediate sound would put you in danger, stay on the line and press 55 when prompted and the call will be transferred to the Police who will know it is an emergency call.

WHAT'S HAPPENING IN YOUR AREA?

During my patrols throughout August, I have had many positive interactions with adults and young people, and there have been very few reports of anti-social behaviour across all of the local communities. I have issued words of advice to one individual about using an off road bike on farmer's fields which caused distress to local neighbours, and have continued to work with young people in Hethersett to try and promote safe cycling around the village. Unfortunately, speeding motorists have been on the increase in some areas during this month, but I have targeted the necessary locations, along with my Special Constable colleagues, to deal with road traffic offences, with a great deal of success in Mulbarton particularly. Please be vigilant with locking up your vehicles as Police have received reports of vehicles being entered and items being stolen. Please continue to let me know about local issues of concern or useful information.
