

# “The Farthings”, Hethel Road

You are invited to a Public Meeting  
at 7pm on 27<sup>th</sup> June 2023 at Wreningham Village Hall

Wreningham Parish Council has been offered 4.5 acres of land on Hethel Road. This will **not** be developed as part of the built environment. We hope parishioners will see it as their project to create an attractive **community green space**. This is a long-term project for parishioners to develop the land to reflect their interests such that it could include paths, wetland, flower-meadow, mini-forest, specimen trees and bushes, woodland play area, bat & bird boxes, encourage wildlife.

The speakers:

- **Wreningham Parish Council** – potential owners of the community land
- **FW Properties Ltd** – current owners to explain the proposal, the self-build plots and their long term support for The Farthings
- **Norfolk Wildlife Trust** – creating a sustainable and green asset
- **South Norfolk Council** – support available with examples
- **Wreningham Heritage Group** – Why “The Farthings”?

You will:

- gain a clear understanding about the proposition
- be able to question the speakers and talk to them in an informal gathering
- inspect information boards
- indicate whether you approve of the proposal
- make suggestions on how the land might be used
- offer your support and input – advice, management, labour

**To help us plan this event**, please reply via:

1. Email us at [wren.farthings@gmail.com](mailto:wren.farthings@gmail.com) or
2. Complete **the tear off slip** below

Thank you

Michael Hill, Chair, Wreningham Parish Council

..... **Reply Slip**..... **Return by 20<sup>th</sup> June** .....**TEAR OFF HERE**.....

Please tick one of the options below. Return this to the post-box on the side of the Village Hall.

Yes, I'd love to come to find out more

Sorry, I cannot attend but I am interested

Sorry, I will not attend as it is of no interest to me.
