

**What happens next?**

- Collate Comments from this evenings consultation event and progress the Community Woodland designs further.
- Receive the formal response from South Norfolk District Council for the current Pre-Application.
- Subject to South Norfolk District Council’s response, FW Properties will then submit the planning application by the end of the Summer.
- Subject to receipt of planning consent, FW Properties will then commence the onsite works for this project in Spring 2024.
- The freehold ownership of the Community Woodland Area will be transferred to the council once the works have been completed.
